Sir:

Supplementing the Preliminary Amendment filed April 12, 2000, please amend the above-identified application, prior to examination thereof, as follows:

IN THE CLAIMS

Please add the following new claims to the application:

B1
--18. A photosensitive film according to Claim 1, wherein the protecting film (C) is a film that can be removed at a time of lamination of the photosensitive film on a substrate.

SAC
19. A photosensitive film comprising a photosensitive resin layer, and a film stuck onto said photosensitive resin layer, said film having fish eyes of a diameter of at least 80µm in a number not exceeding 5 per square meter and being a
